

## President's Perch for May!

The April meeting was not well attended. Hopefully by now everyone has delivered their flyers to local veterinary offices, pet food store, and etc. I've put up flyers in seven different veterinary offices, as well as a pet store. Let's keep the momentum going and grow this club. I've printed some new cards with the name section blank so club members can insert their own name in place of where mine was.

I've contacted GoDaddy.com and our website will be up and running as soon as Bill (our web guy) contacts them with some issues with the logon. It was time to renew, however I only renewed for one year not five. It was due to expire next Monday, April 30<sup>th</sup>, 2012. We will discuss at the next meeting.

Do we want to plan a road trip for the June meeting or as in the past couple of years; we've taken off a couple of months during the summer?

**Our next meeting is May 6th. We will be at Young-Williams Animal Center for this meeting.**

**Same Day/Same time:** May 6, 2012 2:00 pm - 4:00 PM  
**Same Place:** Location: Young-Williams Animal Center  
3201 Division Street NW  
Knoxville, TN 37919

We still need to fill the vacancy for Vice-President. Does anyone want to volunteer for his position? A chair for the hospitality and library committees also needed. I have all the supplies and Laura has the library stuff. Please be thinking about what role you would like to participate in for the coming year.

**Remember to bring your birds and snacks to our next meeting on May 6, 2012, 2:00 – 4:00 pm! See you there.**
